

## Construction Industry NVQ Level 2 and Level 3 Jumpers

**Fully Funded NVQ Qualification**

**On site training**

**Wage subsidy up to £700**

**Part funding and support for CSCS Cards**

There are dozens of specialised construction-related NVQ's available, including:

- **Plastering**
- **Wall & Floor Ceramic Tiling**
- **Painting & Decorating**
- **General Operatives (Labourers)**
- **Groundworks**
- **Roofing**
- **Roofing & Cladding**
- **Brick Laying (trowel trades)**
- **Joinery**
- **Fitted Interiors**
- **Plant Operatives**

**And many more.....**

**Funding now available for people who already hold a level 2 qualification**

Within each NVQ qualification there are mandatory and optional units. The optional units required will be determined by a "Skills Scan" performed by the Assessor on the initial visit, to ensure the relevant units are chosen.

- The qualifications are all On Site Assessment and Training (OSAT).
- The NVQ takes between 3 and 6 months to complete with a minimum of 3 visits by the assessor. Each visit is 1 hour.
- The first session will take 3.5 to 4 hours as this includes 2 hours of training, as well as a training needs analysis.
