

Supporting Teaching and Learning in Schools NVQ Level 2

Applicants should be working in learning support at a primary, secondary or specialist school for at least two or three hours a week.

The NVQ requires the achievement of 7 units of competence from the national occupational standards.

There are 5 mandatory units that each candidate must achieve. In addition, each candidate is required to achieve 2 of the optional units. Selection of optional units will be a matter of choice for the candidate in consultation with his/her employer, bearing in mind employment requirements and the candidates career aspirations.

Mandatory Units

- Provide support for learning activities
- Support children's development
- Help to keep children safe
- Contribute to positive relationships
- Provide effective support for your colleagues

Optional Units—2 must be completed

- Support literacy and numeracy activities
- Support the use of information and communication technology for teaching and learning
- Use information and communication technology to support pupils' learning
- Observe and report on pupil performance
- Support children's play and learning
- Contribute to supporting bilingual/multilingual pupils
- Support a child with disabilities or special educational needs
- Contribute to moving and handling individuals
- Support individuals during therapy sessions
- Support children and young people's play
- Provide displays
- Invigilate tests and examinations
